Online Course Access Instructions

GETTING STARTED:

1. Please navigate to our E-Learning Centre page: <https://www.corfuseaschool.com/online-course-quick-access/> . We suggest you bookmark this page for easier access later on.
2. If this is your first visit: Click on the **Register Now** button. Follow the screen instructions (applying a discount code if you have been given one).
3. For subsequent visits: Simply fill in your Username (or email) and Password then click the **Study Now** button beside your chosen course.

COURSE NOTES:

You will need to have following to get the best out of these courses...

1. A desktop computer, laptop or tablet with a good internet connection.
2. A pair of head phones or speakers
3. A recent internet browser
4. A pdf document reader to view any attachments
5. A printer to print off any attachments
6. Our courses work best with the **Chrome** browser which supports all of the functions within the courses. It can be downloaded here: <https://www.google.com/chrome/>

***Important:** These courses are not designed to be viewed on mobile phones. Please also ensure that the welcome section is viewed when starting the course.
