

Keep it off the Boat!

Try to keep at least 1.5m apart at all times.

Clean your hands whenever you: Enter the interior of the boat, before using navigation equipment, use the WC, use the galley and after handling any ropes that have been ashore.

If you cough or sneeze, use tissues and dispose of them in a refuse sack.

No visitors are allowed on the boat. When visiting facilities on the shore please respect distancing rules, use a mask in enclosed spaces and clean your hands before coming back aboard.
